## **ABOUT US**

Founded in **2012**, PT. Educati Indonesia has grown into one of Indonesia's **most trusted suppliers of high-performance lubricants**. With more than a decade of experience, we support productivity and efficiency across various industrial sectors through **high-quality lubricants** designed to deliver **optimal performance** and **maximum equipment protection**.

We specialize in delivering a **complete portfolio of industrial and automotive lubricants**, including hydraulic oil, engine oil, gear oil, compressor oil, and heat transfer oil, all formulated according to strict **SNI standards** and designed to meet **modern operational challenges**.

As a company built on **innovation, quality, and trust**, we strive to be a **strategic partner** for every customer by continuously improving our services, expanding product reliability, and delivering lubrication solutions aligned with **industry advancements and evolving market needs**.

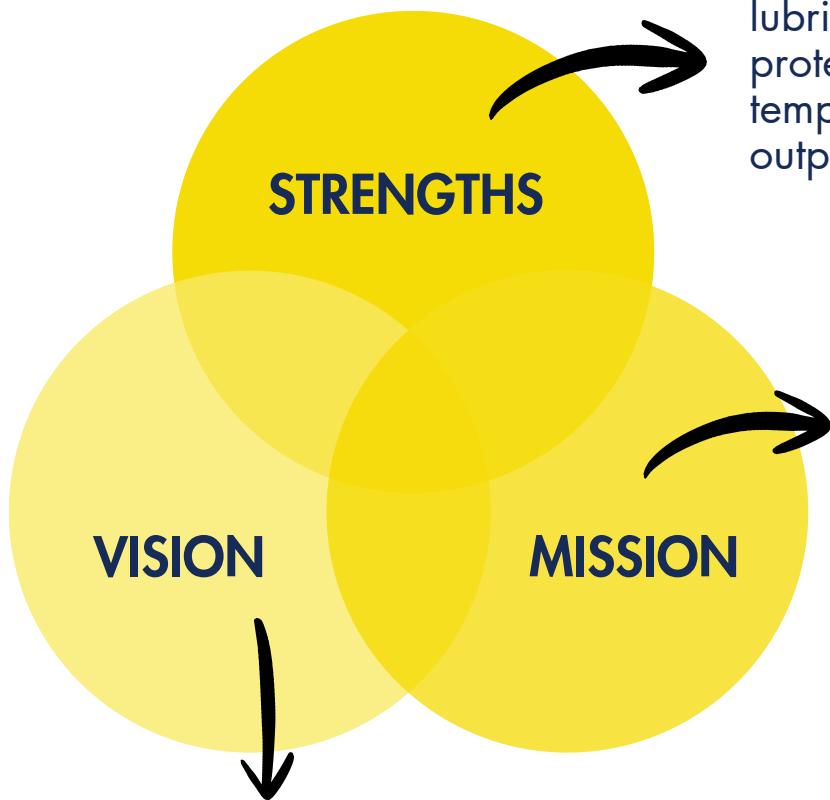

**Lubrication You Can Trust, Performance You Can Measure**

**Quality is Our Top Priority**

## **OUR PILLARS**

To become one of the **leading domestic lubricant manufacturers**, particularly in the production of **high-quality lubricants**, prioritizing **customer satisfaction** through assured **product quality**, **excellent service**, and **competitive pricing**.

**Using Group II & III base oils**, our lubricants deliver longer life, better protection, and stable high-temperature performance, outperforming common Group I oils.

- ① Implement product standards in accordance with SNI and continuously uphold the ISO 9001:2015 Quality Management System.
- ② Deliver comprehensive services across all company divisions that interact with customers.
- ③ Conduct continuous efficiency improvements to optimize production costs.
